

APM AUTOMATION SOLUTIONS

3D Level Scanner, Multi Scanner Systems, 3D Vision
Volume Measurement Solutions for inventory control

ASCO/NUMATICS

Red Hat Solenoid Valves, Combustion Gas Valves,
Cylinders, Motion Control, Air Dryers/ Regulators,
Air Filters, Fieldbus Valve Systems, Pressure/
Temperature Sensors.

ARMSTRONG MONITORING CORP.

Single, Dual and Multi-Channel Gas Detection,
Hazardous Gas Monitoring Equipment, Sensors &
Transmitters, On-Site Preventative Maintenance
and Calibration

BRAY CONTROLS

Quarter Turn Butterfly, Ball and Segmented Valves,
Pneumatic and Electric Actuators. Severe duty,
cryogenic, triple-offset zero leakage

CONTROLAIR

Precision Pneumatic Control Products, Air Pressure
Regulators, I/P & E/P Transducers, Filter Regulators,
Volume Boosters

DELANVAN

Solid And Liquid Point Level And Continuous Level
Measurement, Capacitance Probes, Microwave &
Ultrasonic Switches.

DK-LOK

Fittings, Valves, Tubing, Manifolds, Flexible
Metal Hoses

EXM

Stainless/Steel/Fiberglass Enclosures, Enclosure
Environmental Controls, Free Standing/Modular
Enclosures/Consoles, Custom Enclosures

FLUKE

Multimeters, Clamp Meters, Vibration Testers,
Thermal Imagers, Power Quality Analyzers, Process
Calibration, Scope Meters.

GE MULTILIN

Protection & Control Relays, Power Quality Meters,
Ethernet Switch, Protocol Converters, Software, CT,
PT, Terminal Blocks, Transfer Switches, On- Line DGA

ISB

Safety Light Curtains, Relays, Press Controllers,
Resolvers, Dual Press Safety Valves, Soft touch palm
buttons

KLAY INSTRUMENTS

All Stainless Steel electronic Pressure and Level
transmitters, Intelligent transmitters with
HART protocol or Profibus PA, Transmitters for
Custom applications

KOBOLD

Flow, Level, Temperature & Pressure Indicators/
Switches/Transmitters

J-FLOW

Standard 2-Piece & 3-Piece Ball Valves, Customized
3-way & 4- way Ball Valves, Top Entry Valves,
Trunnion Valves, Floating Flanged Valves, Segmented
V-Ball Valves

MELTRIC

Switch Rated Plugs & Receptacles, Multipin
Connectors, Distribution Systems

OBRIEN

Instrument Winterizing Enclosures, Heat Trace
Sample Tubing, Pre- Insulated Tubing Bundles,
Instrument Mounting Hardware

PHOENIX CONTACT

Terminal Blocks, Signal Conditioners, Power Supplies,
PLC Relays, Media Converters, Ethernet Switches,
TVSS, I/O Systems, PLC

PRECISION DIGITAL

Digital panel meter, field mount indicators, explosion
proof, Modbus scanners, digital pressure gauges,
multichannel indicators

PR ELECTRONICS

Signal Isolation & Conversion, Temperature
Transmitters, I/S. Modules: Analog, Temperature &
Digital, Current Alarms, Frequency/Pulse Modules

RHORBACK COSASCO

Corrosion monitoring solutions, instrumentation,
probes, coupons, mechanical access systems, wireless
online monitoring

RICE LAKE WEIGHING SYSTEMS

Industrial & Commercial Weighing Systems, Loadcell
Module Kits, Indicators, Printers, Truck & Rail Car
Track Scales, Floor & Bench Scales

STEUTE WIRELESS

Wireless command devices, foot switches, inductive
sensors, optical, magnetic sensors, multifunction
handles, position switches, pull-wire switches

SWR

Measurement of mass flow of dry bulk solids,
continuous moisture, flow switches, solids flow
velocity

TECO-WESTINGHOUSE

Electric Motors, Induction, Synchronous, DC, Inverter
Duty and Explosion Proof. Variable Frequency Drives,
Soft starters

TELEDYNE ANALYTICAL INSTRUMENTS

Gas Analyzers, Trace & Percent Portable,
Combustion & Emission Analyzers, Photometers,
Gas Chromatography, Total Sulfur, Thermal
conductivity, Plasma Ionization, Flame Ionization

Changing the market
from level to volume
